Professional Profile

A high-energy, motivated, caring minister with over thirty years combined experience in pastoral ministry, chaplaincy, counselling, and consulting. A passion to spread the good news of the gospel of Jesus Christ. A dedicated leader with excellent inter-personal and public relations skills, and strong organizational, analytical, and information management competence. Ability to work individually and in teams and manage complex simultaneous assignments.

Experience

Ministry

Founder of Spirit Renewal Ministries (2006), a non-denominational ministry devoted to the renewal of the Christian faith through transforming lives and renewing communities. Credentials held with The Fellowship of Christian Assemblies of Canada. Served six pastoral charges with the United Church of Canada in Ontario, New Brunswick, and Newfoundland. Provided extensive supply ministry services to the Presbyterian Church in Canada and full time supply chaplaincy services for the Salvation Army (Grace Hospital, Scarborough, ON) in the emergency room, intensive care, and psychiatry departments. Ongoing mission ministry in Kenya and Curaçao.

Experienced minister with leadership skills in pastoral ministry and theology, preaching, bible study, teaching, chaplaincy, spiritual direction, management, and administration. Author of a Canadian award-winning book on Paul's Epistle to the Romans entitled ***What God Has Promised You.***

Human Resource Management

Developed expertise in crisis intervention, team building, and leadership development. Obtained specialized training in human resource management, MBTI, and crisis and grief counselling through The Institute of Pastoral Training, Halifax, NS; Consulting Psychologists Press, Los Angeles, CA; The Association for Psychological Type, Orlando, FL; and IMD, Lausanne, Switzerland.

Strategic Management

Founder of Siskin Management Inc., and McAllister & Associates, consultancy practices serving clients in the areas of strategic planning, marketing and human resource management. Successfully completed hundreds of assignments in corporate planning, market research, strategic marketing planning, human resource counselling and consulting, teaching, program review and evaluation.

Technical / Personal Skills

Acquired a high proficiency in the use of computer software: MS Word, Excel, Outlook, OneNote, PowerPoint, Access, InDesign, Dreamweaver, Photoshop, WordPress. Photographer, guitarist, singer.
